### Contents

|                                                                                                         |      |
|---------------------------------------------------------------------------------------------------------|------|
| Technical Appendix 1.1: IEMA Quality Mark Checklist                                                     | 1-1  |
| Technical Appendix 1.2: Regulation 18(5)(b) Statement                                                   | 1-2  |
| Technical Appendix 1.3: Information Required in an Environmental Statement                              | 1-3  |
| Technical Appendix 2.1: Description of EIA Stages                                                       | 2-1  |
| Technical Appendix 2.2: EIA Scoping Report                                                              | 2-2  |
| Technical Appendix 2.3: CC EIA Scoping Opinion                                                          | 2-3  |
| Technical Appendix 2.4: MMO EIA Scoping Opinion                                                         | 2-4  |
| Technical Appendix 2.5: Summary of EIA Scoping Opinions                                                 | 2-5  |
| Technical Appendix 2.6: Applicant's EIA Scoping Opinion and Revised Opinions                            | 2-6  |
| Technical Appendix 2.7: Definition of Intra- and Inter-Project Cumulative Effects                       | 2-7  |
| Technical Appendix 2.8: Consideration of Potentially Cumulative Schemes                                 | 2-8  |
| Technical Appendix 2.9: Navigation Risk Assessment                                                      | 2-9  |
| Technical Appendix 2.10: Flood Risk Assessment                                                          | 2-10 |
| Technical Appendix 2.11: Ecological Impact Assessment                                                   | 2-11 |
| Technical Appendix 2.12: Habitats Regulations Assessment                                                | 2-12 |
| Technical Appendix 5.1: Outline Construction Environment Management Plan (OCEMP)                        | 5-1  |
| Technical Appendix 5.2: Outline Site Waste Management Plan (OSWMP)                                      | 5-2  |
| Technical Appendix 5.3: Best Practicable Environmental Option (BPEO) for Dredging Assessment            | 5-3  |
| Technical Appendix 6.1: Wave Modelling Report                                                           | 6-1  |
| Technical Appendix 6.2: Sediment Transport Modelling Report                                             | 6-2  |
| Technical Appendix 6.3: Sediment Plume Modelling Report                                                 | 6-3  |
| Technical Appendix 6.4: Tidal Flow Modelling Report                                                     | 6-4  |
| Technical Appendix 7.1: Underwater Noise Modelling Report                                               | 7-1  |
| Technical Appendix 8.1: Falmouth Docks Development: Factual Ground Investigation Report                 | 8-1  |
| Technical Appendix 8.2: Falmouth Docks Development: Contaminated Land Desk Study                        | 8-2  |
| Technical Appendix 8.3: Falmouth Docks Development: Ground Investigation Interpretative Report          | 8-3  |
| Technical Appendix 8.4: Water Framework Directive Report                                                | 8-4  |
| Technical Appendix 9.1: May 2022 Drop-Down Video (DDV) Survey Report for the Port of Falmouth, Cornwall | 9-1  |
| Technical Appendix 9.2: Benthic Ecology Survey Scope and Agreements                                     | 9-2  |
| Technical Appendix 9.3: May 2023 Benthic Ecology Survey Report (Document Reference: J0710/24/03/04)     | 9-3  |

|                                                                                                                                                                               |      |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|
| Technical Appendix 9.4: Data Search Report from the Environmental Records Centre for Cornwall and the Isles of Scilly                                                         | 9-4  |
| Technical Appendix 9.5: Technical note on the distribution of maerl habitats within the Fal and Helford SAC and potential impacts arising because of the Proposed Development | 9-5  |
| Technical Appendix 11.1: Falmouth Docks Development Marine Archaeological Technical Report                                                                                    | 11-1 |
| Technical Appendix 11.2: Falmouth Docks Development Marine Geoarchaeological Assessment                                                                                       | 11-2 |
| Technical Appendix 11.3: Falmouth Docks Development Offshore Written Scheme of Investigation                                                                                  | 11-3 |
| Technical Appendix 12.1: Archaeological Desk-Based Assessment                                                                                                                 | 12-1 |
| Technical Appendix 12.2: Good Practice Advice (GPA)3 Exercise and Technical Note                                                                                              | 12-2 |
| Technical Appendix 13.1: Transport Assessment                                                                                                                                 | 13-1 |
| Technical Appendix 14.1: Baseline Noise Survey                                                                                                                                | 14-1 |
| Technical Appendix 14.2: Demolition and Construction Noise supporting information                                                                                             | 14-2 |
| Technical Appendix 14.3: Operational Assessment supporting information                                                                                                        | 14-3 |
| Technical Appendix 14.4: Legislation and Guidance                                                                                                                             | 14-4 |
| Technical Appendix 15.1: Air Quality Legislation, Policy and Guidance                                                                                                         | 15-1 |
| Technical Appendix 15.2: Air Quality Assessment Methodology                                                                                                                   | 15-2 |
| Technical Appendix 15.3: Air Quality Results                                                                                                                                  | 15-3 |
| Technical Appendix 17.1: Circular Economy Statement and Materials Management Strategy                                                                                         | 17-1 |
| Technical Appendix 17.2: Outline Site Waste Management Plan (OSWMP)                                                                                                           | 17-2 |
| Technical Appendix 18.1: Supporting Figures                                                                                                                                   | 18-1 |
| Technical Appendix 18.2: National, Regional and Local Policy                                                                                                                  | 18-2 |
| Technical Appendix 18.3: Assessment of Seascape and Landscape Effects                                                                                                         | 18-3 |
| Technical Appendix 18.4: Baseline Photography                                                                                                                                 | 18-4 |
| Technical Appendix 18.5: Visualisations                                                                                                                                       | 18-5 |
| Technical Appendix 18.6: Viewpoint Assessment                                                                                                                                 | 18-6 |
| Technical Appendix 19.1: Economic Impact of Proposed Redevelopment at Falmouth Docks                                                                                          | 19-1 |
