\* Please provide payment reference details

Cheque received by the Planning Inspectorate on 12 March 2015 and confirmed as cleared on 25 March 2015

### 4. Confirming why the Planning Inspectorate should receive the application

\* Brief statement to explain why this application is, or is to be treated as, a development for which development consent is required under the Planning Act 2008

The application is for a Development Consent Order ("DCO") under the Planning Act 2008 ("the Act") to enable the Applicant to construct a nationally significant infrastructure project ("NSIP") (as defined in s.14(j) of the Act), being a harbour facility which meets the criteria contained in s.24.

As the proposed harbour facility is an NSIP, an application for a DCO must be made as provided for in s.37 of the Act. This application includes associated development which complies with section 115(2) and (3) of the Act.

### 5. Non-technical description of the Development Proposal

\* Brief non-technical description of the development proposal

The development proposed is a harbour facility at Bran Sands, Teesside on the south bank of the River Tees for the bulk shipping of polyhalite. The harbour facilities will be served by a conveyor system to transfer the finished material product to the site from a Materials Handling Facility (which is subject of a separate planning application to Redcar & Cleveland Borough Council) and includes facilities to enable the bulk loading of vessels including a new quay with ship loading facilities and berthing area.

### 6. Location or Route of the Development Proposal

\* Description of location of application site(s), or route of development (reference to appropriate plans)

The application site comprises 92.44 hectares of land at Bran Sands, Teesside, on the south bank of the River
