

# Cumulative Impact Assessment

## Appendices: Index

### PART 1

**Appendix 1.1** Brief description of the York Potash Project Mine, MTS, MHF, Construction Village Park & Ride and Whitby Operational Park & Ride

### PART 2

**Appendix 5.1** *Technical Note 2 Construction and Operational Workforce Profiles*

**Appendix 6.1** Cumulative Traffic Assessment Figures

**Appendix 6.2** In combination HGV Summary

**Appendix 6.3** Earthworks HGV Profile

**Appendix 6.4** In combination Traffic Demand

**Appendix 6.5** YPP HGV Distribution

**Appendix 6.6** Peak Construction Employee Numbers

**Appendix 6.7** Construction Shift Patterns

**Appendix 6.8** Construction Phase Rented Accommodation: Mine and MTS

**Appendix 6.9** Construction Employee Local Distribution

**Appendix 6.10** Construction Worker Link Distribution

**Appendix 6.11** Operational Shift Details

**Appendix 6.12** Operational Shift Times

**Appendix 6.13** Mine Operation Employee Distribution

**Appendix 6.14 MHF Operation Employee Distribution**

**Appendix 6.15 Operation Link Distribution**

**PART 3**

**Appendix 22.1 General Drawings**

CLVIA 01	Photograph and Photomontage Locations
CLVIA 02	Landscape Designations
CLVIA 03	Landscape Character
CLVIA 04	Sequential Receptors
PAN 01 to 05	Panoramic Photographs
TRA 01 to 04	Landscape Designations and Character with Traffic Flow Changes Construction and Operation
NYMNP 01	ZTV Overlaid on National Park: Full Project Winding Towers
NYMNP 02	ZTV Overlaid on National Park: 16km Winding Towers
NYMPA 03	ZTV Overlaid on National Park: Potential Significant Impacts

**Zone of Theoretical Visibility Mapping**

CU 01 to 06	Landscape Designations and Character: No Woods / Woods Sequential Receptors and Panoramic Viewpoints: No Woods / Woods
-------------	---

**Photomontages**

Various	01, 02, 04, 05, 07, 11, 13, 15, 17 and 18
---------	---

**Appendix 22.2 Representative Viewpoint Assessment and Panoramic Photographs 01 to 05**

**Appendix 22.3 Sequential Receptor Assessment (A171, A169, Cleveland Way National Trail, Coast to Coast Walk, National Cycle Route 1, Regional Cycle Route 165)**
