Dear Sir

**THE PLANNING ACT 2008 (AS AMENDED) - APPLICATION FOR YORK POTASH LIMITED FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR THE YORK POTASH HARBOUR FACILITIES
DOCUMENTATION RESPONSE TO DEADLINE 7**

Further to the procedural decision set out in the Examining Authority's letter of 16 October 2015, please find enclosed the following documentation in response to Deadline 7:-

1. The Applicant's responses to other parties' submissions for Deadline 6; and
2. An updated document list reflecting appropriate additions (Document 1.4G). The changes to the document list are shown as track changes.

As indicated in my letter of 16 December 2015, agreement has been reached with Northumbrian Water Limited and Northern PowerGrid. With regard to Northumbrian Water Limited, engrossments are still in circulation for signature and I enclose copy correspondence from Northumbrian Water confirming that completion can take place in the week commencing 4 January 2016.

The engrossments relating to Northern PowerGrid have been signed by Northern PowerGrid and are now with the Applicant. Northern PowerGrid have provided authority to complete the agreement as soon as engrossments have been signed by the Applicant. This is in hand and I expect to confirm completion in the week commencing 4 January 2016.

It is understood those objections will then be withdrawn immediately.

Yours sincerely

Dear William,

Apologies, but we won't be in a position to conclude this before w/c 4 Jan. There's nothing to worry about and I am quite happy for you to share this email with the Inspector and indicate that we fully expect to complete then, if that is of any help.

Kind regards and Season's Greetings.

Martin Parker
General Counsel & Company Secretary
