Dear Sir/ Madam

Planning consultation: The York Potash Harbour Facilities Order – Notice of application to make a non-material change

Location: York Potash Harbour Facilities, Redcar and Cleveland

Thank you for your email notification regarding the proposed amendments to above project dated 17 February 2022 which was received by Natural England on the same day.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

SUMMARY OF NATURAL ENGLAND'S ADVICE

NO OBJECTION

Based on the information submitted, Natural England considers that the proposed amendments to the harbour construction phasing will not have significant adverse impacts on designated sites and has no objection.

Natural England's further advice on designated sites is set out below.

European sites – Teesmouth and Cleveland Coast Special Protection Area and Ramsar site

Based on the information submitted, Natural England considers that the proposed amendments will not have likely significant effects on the Teesmouth and Cleveland Coast Special Protection Area and Ramsar site and has no objection to the proposed changes.

Teesmouth and Cleveland Coast Site of Special Scientific Interest

Based on the plans submitted, Natural England considers that the proposed amendments will not damage or destroy the interest features for which the site has been notified and has no objection.

Should the proposal change, please consult us again.

If you have any queries relating to the advice in this letter please contact me on 0208 0265533 or [REDACTED].

Yours sincerely
