Decision: 1) Accept proposal (MLA)

Advice:

Historic England has assessed the above proposal and has no objections or comments to make which would require detailed EIA assessment.

Historic England is the Government's advisor on all aspects of the historic environment in England. Historic England's general powers under section 33 of the National Heritage Act 1983 were extended (via the National Heritage Act 2002) to modify our functions to include securing the preservation of monuments in, on, or under the seabed within the seaward limits of the UK Territorial Sea adjacent to England.

Yours sincerely

Lee McFarlane

Inspector of Ancient Monuments
