## MMO Licence Application

### Variation Request 2 ACCEPTED

**Request Date**

28-JUN-2017

**Requested By**

Angela Wildish

**Licence(s) to be varied**

L/2017/00012/2 (Marine Licence)

**What would you like to vary about your current licence(s)/response(s)?**

The MMO will amend the licence quantities so they match the applicant's calculations.

**Why would you like to vary your licence(s)/response(s) in this way?**

The way the MMO calculates the wet tonnes from the m3 is not the same way as the applicant. The licence was updated with the figures the MMO had calculated therefore the applicant would like the licence updated with the figures he provided as this will affect the amount he can dredge and dispose of under his licence.

**What date would the varied licence(s)/response(s) come into effect?**

29-JUN-2017

**Closed Date**

18-SEP-2017
