Annex A ~~Highways England recommended Planning Conditions /~~
~~Highways England recommended further assessment required /~~
~~Highways England recommended Refusal.~~

Condition(s) to be attached to any grant of planning permission:

Conditions to address Highways Act Section 175B to be confirmed,

Reason(s) for the recommendation above:

To ensure that the **A174 & A1053** Trunk Roads continue to serve their purpose as part of a national system of routes for through traffic in accordance with Section 10(2) of the Highways Act 1980 by minimising disruption on the trunk road network and in the interests of road safety.

The recommendation shall be maintained until **7 November 2020** or until sufficient information has been received to enable Highways England to reach an alternative view at which point a further notice will be issued.

HIGHWAYS ENGLAND has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN). The SRN is a critical national asset and as such works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

¹ Where relevant, further information will be provided within Annex A.
