

Northern Powergrid Holdings Company
 The position of our equipment is shown on this plan as accurately as possible. It may have changed since the plan was produced. Therefore the position of our equipment and those services which are not shown should be confirmed on site. The position of our equipment is not guaranteed unless registered as accurate and should be used for planning purposes only. It is advised that accurate information should be obtained from the owner of each utility prior to the commencement of work on site.
