Comment type:
No Objection

Comments:
The LLFA would offer no further comments to the ones previously submitted for R/2019/0427/FFM

The LLFA would offer no objection to the proposed development, as the proposed Surface Water Drainage Strategy accords with the requirements of Policy SD7. The LLFA would request the following documents be deemed 'approved documents', to ensure compliance accordingly.

The revised FRA with additional appendices shall be included within the approved plans list under condition 2.

Case Officer:
