APPLICATION REF R/2021/0728/PND Demolition of Dorman long Tower

COMMENT

The bird club would like to make the following comment on this application.

We have no view on the demolition *per se* but wish to point out that a pair of peregrine falcons (Schedule1 Protected species) breed on one of the structures in this area. It is illegal to disturb the species in the breeding season.

We recommend that the nest site(s) in the general area be located and appropriate actions be implemented to ensure compliance with the law.

Regards Dr Alistair McLee (Chairman Conservation sub Committee0
