Dear Adrian

RESERVED MATTERS APPLICATION (ACCESS, APPEARANCE, LANDSCAPING, LAYOUT AND SCALE) FOLLOWING OUTLINE PLANNING PERMISSION R/2019/0767/OOM FOR OUTLINE APPLICATION FOR THE CONSTRUCTION OF AN ENERGY RECOVERY FACILITY (ERF) AND ASSOCIATED DEVELOPMENT

Thank you for referring the above application which we received on 30 March 2023.

Environment Agency Position

We have **NO OBJECTIONS** to the proposed development as submitted. However, we have the following comments/advice to offer:

Water Framework Directive (WFD) Mitigation Measures – Advice to Applicant

The WFD Report makes an assessment at section 3.8 of whether the proposal will put at risk any mitigation measures. It should be noted that the Catchment Data Explorer website does not contain such information. However, details of the Mitigation Measures Assessment for the Tees Estuary is available from the Environment Agency. If the applicant wishes to contribute to the restoration and protection of the Tees estuary, the Environment Agency can provide information on current and proposed catchment partnership actions. Requests for this information should be sent to our Customer and Engagement team by emailing northeast-newcastle@environment-agency.gov.uk. Please note that requests for data can take up to 20 working days to process.

Decision notice - Information for LPA

In accordance with the planning practice guidance (determining a planning application, paragraph 019), please notify us by email within two weeks of a decision being made or application withdrawn. Please provide us with a URL of the decision notice, or an electronic copy of the decision notice or outcome.

Please do not hesitate to contact me if you have any questions regarding this letter.

Yours sincerely
