Public Notice: Public Consultation

The Town and Country Planning Act 1990

The Town and Country Planning (Environmental Impact Assessment) Regulations 2017

This notice is to inform that Green Lithium Refining Limited ("Green Lithium") will be launching an online public consultation event relating to its proposed development of a battery-grade merchant lithium refinery plant (the "Development") at the Kinkerdale Road site in Grangetown, Middlesbrough, TS6 6UD, on the Teesdock Estate.

This project meets the definition of a Schedule 1 development as defined by the *Town and Country Planning (Environmental Impact Assessment) Regulations 2017* and therefore will be subject to a detailed planning application and be accompanied by an Environmental Statement.

The facility will become a major local employer and will become a key part development a critical raw materials supply chain for the UK in the emerging lithium-ion battery and electric vehicle market and hence is considered a key regional green infrastructure development.

Green Lithium has prepared an Environmental Impact Assessment ("EIA") that assesses the impacts of both the construction and operation of the Development to an agreed scope that has been confirmed following engagement and consultation with the Planning Authority and other relevant public bodies.

Green Lithium intends to carry out an online public consultation event which will include an overview of the project and conclusions of the Environmental Statement, including social and economic benefits.

The public consultation materials can be viewed online and downloaded at:
greenlithium.co.uk/publicconsultation

Paper copies of the consultation materials can be purchased at a cost of £25 (inc. VAT) or will be provided electronically upon request.

Any person wishing to provide comment regarding this consultation, should do so either writing by post or email to the following addresses:

Public Consultation Team, Green Lithium Refining Limited
Teesside University
Victoria Building
